

## SHARED PLANET

You and **TITAN HOTELS**,  
it's more than only holiday.

It's our commitment to offer you a holiday in ways that are good to each other and the planet. From the way we buy **goods** and **services**, to minimizing our environmental footprint, to being involved in local communities. It's doing things the way we always have. It's using our name and image for the good. And because you support us, **TITAN HOTELS SHARED PLANET** is what you are part of too.

## ETHICAL RESOURCING

It's our commitment to buy and serve the **highest-quality** responsibly manufactured, **ethically** traded **goods** to help create a **better future for tourism** and a **more stable climate for our planet**.

**Goal:** By 2016 100% of our goods will be responsibly manufactured and ethically traded.

## ENVIRONMENTAL STEWARDSHIP

We are committed to minimizing our **environmental footprint**, tackling climate change and **inspiring guests** and **business partners** to do the same.

**Goal:** By 2016 we will significantly reduce our environmental footprint through energy and water conservation, recycling and our supplies will be **environmentally friendly**. We will prefer **business partners** who propagate environmental friendliness and dispose of an Environment Quality System.

## COMMUNITY INVOLVEMENT

We are committed to being a **good neighbour** and katalysator for change by bringing closer together our partners, our guests and our neighbourhood.

**Goal:** By 2016 we will have contributed more than 200 hours on community services.

# TOGETHER WE MAKE TOMORROW MORE BEAUTIFUL

Here are some ways **YOU** can **HELP** us conserve the planet:

- Separate your **GARBAGE** to stimulate **RECYCLING**.
- Use your **BATHROOM TOWELS** more often to **REDUCE** the use of **CHEMICALS** and **WATER**.
- Take a **SHOWER** instead of using your **BATH TUB**.
- Keep your **MINIBAR** closed to avoid unnecessary use of electricity.
- Throw your batteries in the **BATTERY WASTE BIN** in the lobby.
- Inform the management about **WATER LEAKS**.
- Keep your **CURTAINS** and **BALCONY DOORS** closed when you are outside your room to reduce the use of **AIRDONDITIONING**.
- Keep your balcony door closed while using the **AIRCONDITIONING**.
- Deliver your **HAZARDOUS WASTE** like empty **AEROSOLS** at the reception desk.
- Help to keep our **BEACHES** clean.
- Encourage your **CHILDREN** to do the same.
